

Curriculum Vitae

1.	First name and Surname	Eugene Khrystenko
2.	Date of birth	1939
3.	Contact information <i>(email/ Google Scholar)</i>	khrystenko@nas.gov.ua https://scholar.google.com.ua/citations?user=z4QousAAAAJ&hl=uk
4.	Position/Awards	Senior researcher of the “Transport properties of conducting and superconducting systems” department; 2000 – State Prize of Ukraine in the field of science and technology
5.	Scientific degree / Branch of scientific specialization	Candidate of Physical and Mathematical Sciences, physical and quantum electronics, 1979
6.	Place of work <i>(name/address/phone/fax.)</i>	B. Verkin Institute for Low Temperature Physics & Engineering of NAS Ukraine, 47 Nauky Avenue, Kharkiv 61103, UKRAINE. Tel.: +380-57-341-09-68, Fax +380-57-340-33-70
7.	Total number of printed works	113
8.	Research experience	Electronic and magnetic properties of superconducting systems
9.	Total length of scientific work (in years)	55 years
10.	Supervision of bachelors, masters, graduate students, doctoral students	4 bachelors, 2 graduate students
11.	Important positions and responsibilities (including outside the Institute)	2014 - 2019 Member of Scientific Council on "Electronic Properties of Conducting and Superconducting Systems".
